For the purpose of providing an orderly development of all of the lots and blocks included in the above described plat, and for the further purpose of providing adequate restrictive covenants for the benefit of itself, and its successors in title to the aforesaid lots, the Owner does hereby impose the following restrictions and reservations on the entire plat of THE LEGACY, SECTION 3 to which it shall be incumbent upon its successors in title to adhere, and any corporation or corporations, partnership or partnerships, person or persons, hereafter becoming the owner or owners either directly or through any subsequent transfers or in any manner whatsoever, of any lots, block or blocks included in THE LEGACY, SECTION 3 shall take hold or convey the same, subject to the following restrictions and reservations, to wit:

Architectural Committee: The Architectural Committee's purpose is to promote good design and compatibility within the subdivision and in its review of plans, specifications, plot plans, any fencing, color schemes and materials or determination of any waiver as hereinafter authorized, may take into consideration the nature and character of the proposed structure, the materials of which it is to be built, the availability of alternative materials, the site upon which it is proposed to be erected and the harmony thereof with the surrounding area. No building shall be erected, placed or altered on any lot located in the above described Addition until after the building plans, specifications, and plot plan showing the location of such building have been approved in writing as to conformity and harmony of external design with existing structures in said subdivision, and as to location of the building with respect to topography and finished ground elevation, and with respect to side lot and front building set back lines, by a majority of an Architectural Committee composed of J. W. Mashburn, Jesse Mashburn, Paul Frolich and David Fatkin or their duly authorized representative or representatives or successors. In the case of the death or resignation of any member or members of said committee, the Owner shall have the authority to appoint successor members to the above named committee to fill any vacancy or vacancies created by the death or resignation of any of the aforesaid members, and said newly appointed member or members, shall have the same authority hereunder as their predecessors to approve or disapprove such design or location as above set forth. If the aforesaid committee, their authorized representatives or successors fails to approve or disapprove such design and location within thirty (30) days after building plans, building specifications, and plat plan have submitted to them such approval shall be deemed granted and this covenant shall be deemed to have been fully complied with. In the event that building plans, specifications, and plot plan showing the location of such building are not submitted prior to construction, the owner of the Lot is in violation of this covenant and it shall not be deemed to have been waived by the fact that the Owner does not object to a particular violation prior to completion of construction. The Owner may at any time after completion of construction bring an action requiring the lot owner to comply with all restrictions herein contained. If the Architectural Committee chooses to grant a waiver subsequent to completion because of hardship, such action shall not be deemed a precedent for similar violations in the future. The Architectural Committee shall be authorized to grant a waiver from any restriction herein contained. The Architectural Committee shall not be liable for any waiver granted or any approval, disapproval or failure to respond to a particular request.

Single Family Residential Sites Only: All of the lots in THE LEGACY, SECTION 3 above described shall be known as, and reserved exclusively for use as residential lots and/or residential building sites for single family structures. Commercial Activities Prohibited: No church, business, professional office, trade or commercial activity of any sort may ever be conducted in any residence or building of any sort, or upon any portion of any lot or block in THE LEGACY, SECTION 3. The Architectural Committee designated in Paragraph (1) above shall have the sole authority to determine when a lot is not being maintained in a reasonably clean and orderly manner. Upon failure of the owner of each lot to abide by the conditions herein stated the Developer and/or Home Owners Association may, in its discretion, mow such areas, trim the trees, repair fences, repair or replace dilapidated mail boxes, remove trash or refuse and levy an assessment upon such lot for the cost involved, which assessment shall constitute a lien upon such lot to the same extent as is provided elsewhere herein with respect to other assessments.

Home Owners Association: It is the intent of the developer to form a Home Owners Association whose membership will be comprised of owners of all lots, in THE LEGACY, SECTION 3 together with the owners of all lots in future phases of THE LEGACY. Membership in the association shall be mandatory for the owners of all lots. The obligation to pay Home Owners Association dues for a particular lot will begin upon the date when the home builder sells the improved lot to a home buyer. The Developer shall have complete control of the Home Owners Association until the development of THE LEGACY is complete or the Developer determines to relinquish full control of the Association to the lot owners. Thereafter, at a meeting called by the Developer, with due notice to all of the then owners of the lots, the Developer shall turn such non-profit corporation over to the homeowners, and such homeowners shall accept such non-profit corporation. Even after the Developer relinquishes control, for so long as the Developer is developing THE LEGACY, the Developer shall retain the right to veto any proposed action of the Association and the Association shall be bound by the Developer's veto. The Developer shall have this power of veto notwithstanding any language herein to the contrary.

In the above connection, the Developer shall establish such charter, by-laws, or rules and regulations affecting the Association as it, in its sole discretion, deems necessary for the future government of the association.
